

Carlos Flores serves as Fort Worth Councilmember for District 2. He is a third generation Fort Worth native with deep roots in the community. He is a member of the All-Saints Catholic church parish and Home & School Organization.

Flores is a graduate of Nolan Catholic High School and attended The University of Texas at Austin to major in Aerospace Engineering and minored in Fine Arts and completed his degree studies at the University of Texas at Arlington.

He is a member of the American Institute of Aeronautics and Astronautics (AIAA) and the Society of Flight Test Engineers (SFTE). Professionally, Carlos worked for two international product identification and handling companies as project engineer, as a design engineer for Raytheon on the C-130 and P-3 programs, and at Lockheed Martin Aeronautics Company in Fort Worth as a senior engineer performing stress analysis, flight & ground test support for the F-16 and F-35 fighter programs.

Flores recently worked at Parker-Hannifin Aerospace in prototype design and testing. He is also a former corporate recruiter at Texas colleges and universities.
